

Graphic Designer Job Description

We're looking for a talented and passionate Graphic Designer to join the Business Chicks team. This role reports into the Creative Director and will help develop and deliver on all visual communication, digital and print design, ensuring alignment with the Business Chicks brand.

This is your chance to work in a fast paced and exciting environment where each day is varied and presents new exciting opportunities. You'll form part of the Marketing and Communications team and support with everything from producing print collateral, creating social media content, and event posts, finessing our website assets, or producing cool event collateral.

This is a part time, flexible role suited to someone looking for an opportunity to develop their creative and technical skills and wants to play their part in making women around the world feel like they belong and are capable of amazing things.

The Role

- Design and deliver on creative assets across multiple mediums delivering high levels of aesthetic excellence
- Work across web design, marketing, social media, video design assets, presentations, printed collateral, staging, signage, and merchandise
- Work closely with internal stakeholders on a variety of projects
- Keep on top of industry trends and technology
- Persuasively present creative concepts and designs to the team

Skills and Experience

- A degree in graphic design or the equivalent
- The ability to manage your own time, workload and review your work to minimise errors and produce consistently accurate solutions
- Ability to work autonomously as well as within a team from brief through to completion
- A high attention to detail is a must, along with having strong typesetting, design and layout skills.
- Experienced with the Adobe Creative Suite and have knowledge of different digital platforms including web, mobile and applications as well as designing for print.
- Good understanding of print process

- Able to work to pre-determined deadlines and follow a brief
- Hard working and passionate about career and about making a difference
- Ability to think creatively to present new ideas and concepts
- Going above and beyond is second nature
- Bright, astute, quick thinker
- Strong multi-tasker with unwavering attention to detail

This is a part time, flexible role and is a three month fixed term contract with potential opportunity to extend.
